

A central cluster of warning lights and indicators. From top to bottom, left to right: a triangle (hazard lights), a car with lights (parking lights), a double arrow (power windows), a car with lights (fog lights), a battery (alternator), a car with lights (high beams), and a car with wipers (windshield wipers). Below these are three red circular lights: a battery (charging system), a car with lights (low beam), and a car with lights (high beam). At the bottom is a fuel gauge with a needle pointing to approximately 0.4, a scale from 0 to 1, and a fuel pump icon.
